

Important Notes

Welcome, Class of 2027!

We are excited to have you join the AZCOPT family!

This is the AZCOPT Block Schedule and it should be kept in an easily accessible location for frequent review. Your schedules are created for you and classes, labs, and other **activities may change on a weekly/daily basis.**

Occasionally, but rarely, a new revision may be released (partially or in whole) due to a major change or a change that students might easily miss (ie. a significant change in lecture locations).

Make sure you are referring to the latest revision (would be announced via email). As required, ensure that you check your email at least daily.

Notes: Student Government Association and Class Council Elections occur Week 5 - get to know your classmates!

How to read a block:

Some blocks may have additional special notes, ie. Mandatory, pre-recorded, special times, etc.

Example:
OPTOG 1510
Clinical Services, Theory & Methods I
Sahuaro A
Roe

Photographers: Submit your photos of Arizona! If you have taken a photo in Arizona that you would like to potentially be featured on the cover page of a block schedule, send them to Dr. Woo!

(No photos with identifiable people or photos that are not yours, please. Photos related to the season (ie. Su, Fa, Wi, Sp) are preferred!) Let me know where the picture was taken! Submitter's name and class year/faculty/staff will be included (unless you prefer it not to be).

- AH = Auditorium Hall
- CH = Cholla Hall
- CW = Cactus Wren
- EI = Eye Institute
