7			<p>Class of 2025, this is the homestretch to your first National Board exam. I trust that you have all put the time and effort into your studies. All of us at AZCOPT are rooting for your success. These last few weeks may feel hard to motivate yourself - balance your time and energy. Remember, this is not a sprint to the finish - recharge your batteries so you are ready for the big day but don't put the brakes on your momentum now. Use this time wisely before you return for two weeks of Spring quarter before Part I. Remind your family, friends, loved ones, that this is a crucial time for you and that you appreciate their support in allowing you to focus. Feed yourselves properly, think positively, encourage each other, and get sleep! You are all going to crush this exam!</p> <p>- Dr. Woo</p>		<p>"With self-discipline, most anything is possible." - Theodore Roosevelt</p>	7
